MINUTES OF THE CCBC AGM

Kamloops, BC. May 12, 2018

The meeting was brought to order at 4:05pm. The following were present:

Jeannie MacDonald	Kimberley Nordic Ski Club
Andrea Stapff	Strathcona Nordic Ski Club/CCBC Board
Barry Allen	Telemark Nordic Ski Club/CCBC Board
Berend Henckel	Strathcona Nordic Ski Club
Brent Hobbs	Telemark Nordic Ski Club
Carolyn Buzikievich	Nickel Plate CC Ski Club
Deren Sentesy	Telemark Nordic Ski Club
Eliza Stanford	Whiskey Jack Nordic Ski Club
Ian Ferrie	Kimberley Nordic Ski Club
Jim Burbee	Caledonia Nordic Ski Club/CCBC Board
John Bowes	Caledonia Nordic Ski Club
John Huybers	Caledonia Nordic Ski Club
Karen Johnson	100 Mile Nordic Ski Society
Kristi Iverson	100 Mile Nordic Ski Society
Lisa Young	Williams Lake CC Ski Club/CCBC Board
Maureen Light	Overlander Ski Club
Michelle Tsutsumi	Skmana Ski Club
Mike Thomas	Revelstoke Nordic Ski Club/CCBC Board
Reid Carter	Hollyburn CC Ski Club/CCBC Board
Vesta Giles	Overlander Ski Club
Wannes Luppens	CCBC Executive Director

The above also attended the same-day Club Development Workshop, including:

Shane Pearsall	Cross Country Canada CEO
----------------	--------------------------

1. CHAIRPERSONS OPENING REMARKS

Reid Carter welcomed everyone to the meeting, referred to all the highlights discussed throughout the Club Development Workshop earlier in the day, and mentioned that the BC cross country ski community has a lot to be proud of.

2. INTRODUCTION OF CLUB DELEGATES

Introductions held during the Club Development Workshop earlier in the day.

3. ADOPTION OF AGENDA

Motion: *“That the agenda be accepted as distributed”.*

Mike Thomas/Brent Hobbs Carried

4. ACCEPTANCE OF MINUTES FROM THE 2017 AGM

Motion: *“That the minutes of the 2017 AGM be accepted as presented.”*

Vesta Giles/John Huybers Carried

5. BUSINESS ARISING FROM THE MINUTES

None

6. CROSS COUNTRY BC CHAIRPERSON REPORT

Reid Carter again referenced all the highlights discussed earlier in the day and thanked staff and volunteers for all their good work.

7. BYLAW UPDATES

The proposed bylaw updates were reviewed.

Motion: *“That the updated bylaws be accepted as presented.”*

Brent Hobbs/ Jim Burbee Carried

8. FINANCIAL REPORT

The 2017/18 Financial Statement was presented and discussed.

The 2018/19 Budget was presented and discussed.

Motion: *“That Deloitte remain as CCBC Auditor for 2018/19”.*

Jim Burbee/Mike Thomas Carried

9. ELECTION OF DIRECTORS

The Elections were conducted by Reid Carter. The following directors were re-elected, by acclamation:

Director-at-Large – Jeff Sim
Director-at-Large – Jim Burbee
Director-at-Large – Andrea Stapff

10. OTHER BUSINESS

The date and location of the 2019 Club Development Workshop and AGM will be in Kamloops, tentative May 11th weekend.

11. ADJOURNMENT

Motion: *“That the 2018 AGM be adjourned”*.

Vesta Giles

Adjourned 5:05pm

Volunteer Profile – Abbi May

Cross Country Canada 2018 Volunteer of the Year Award

Abbi started her cross-country skiing career as a young child in Deep River, Ontario. Growing up, she did a lot of skiing in the bush near her family home. She also raced as a member of the very strong Deep River Cross Country Ski Club. Her highlights as an athlete included two 4th place finishes at the Junior National Championships in the late 80's. She continued ski racing through university (winning the OUAA championships) and into her adult life.

After moving to Salmon Arm, BC in 2005, Abbi became more and more involved in coaching and club development within the Larch Hills Nordic Society. Her coaching roles have included ...

- (1) Bunnyrabbit and Jackrabbit Coach: With small children of her own, becoming a coach within the Bunnyrabbit and Jackrabbit program was a natural first step. Abbi was a Bunnyrabbit and Jackrabbit coach from 2005 through to 2010.
- (2) Junior Ski Team Coach: Abbi began as a coach on the Junior Ski team in 2010 and has been coaching the team since then. She has coached a variety of age groups. The last few seasons, she has been the Lead coach for the Midget-aged group. She has also been involved in coaching the older athletes. She helps coach their weekly strength sessions (making use of her professional training as a physiotherapist). She has also been the club's head coach for the team attending National Championships for past four seasons.
- (3) Para-Nordic Coach: In 2016, an accident in high-school shop class left 15 year old Larch Hills athlete Natalie Wilkie with a significant hand injury. Although Natalie continued skiing as an able-bodied athlete, her injury qualified her to compete in para-nordic events, and Abbi stepped up immediately to help guide her through this new athletic landscape. To say this coach/athlete partnership has been a success would be an understatement. Natalie won a medal at the Nationals (able-bodied) in her first year back after her injury, and, this past season, she won three medals – gold, silver and bronze – at the Paralympics in Pyeongchang, Korea! As Natalie's personal coach Abbi played a key role in guiding her through her training and helping her with both her able-bodied and para-nordic racing. Abbi has now become quite active within the para-community, taking coaching courses and attending various training camps and races along with Natalie.
- (4) Provincial Coaching Roles: While most of Abbi's coaching has been at the club level, she has also been active within the provincial coaching community. She has helped coach at a variety of regional and provincial-level training camps (BC Talent Squad, BC Development Squad and BC Team). She also coached the Okanagan zone team at the 2014 BC Winter Games. Most recently, Abbi was a support coach on BC's B-Tour trip to Austria, Italy and Germany. She was one of only a few female coaches/wax technicians from any nation to attend these events.

Abbi has also been actively involved in a wide variety of non-coach roles within the Larch Hills Nordic Society.

- (1) SDP Programmer: After gaining experience as a coach, Abbi took over the role of SDP Programmer for the Larch Hills program (from 2007 to 2010). The Larch Hills SDP program

typically had around 100 and 130 children during that time period. Abbi spearheaded a number of new initiatives, including the purchase of a set of skate skis for use by Jackrabbit kids just beginning to learn how to skate ski.

- (2) Junior Ski Team Head Coach: When Phil Wallensteen (a long-time builder of the Larch Hills junior racing team) stepped aside as head coach in 2014, Abbi jumped into the role with enthusiasm. She has been leading the club's junior race team since then. Over the years, the race team has grown steadily (from roughly 30 athletes 10 years ago to 110 athletes this past season). Abbi (and Phil before her) have established a very inclusive environment that encourages participation from skiers with a wide range of abilities. The club has had great competitive success, winning the BC Club Championship trophy 7 of the last 8 years.
- (3) Larch Hills Nordic Society Board Member: Abbi has been a member of the LHNS board since becoming a Director in 2007. Her main role has been to provide oversight on issues related to programs (e.g., SDP, Race Team, Adventure program, lessons), but she is also involved in decision making with respect to operations, trail development and (most recently) the building of the new chalet.
- (4) Reino Keski-Salmi Loppet Committee: Abbi has been involved with the Loppet organization for a number of years. One of many cogs in a large organization, she has been responsible for making arrangements with a variety of community sponsors.

Throughout Abbi's years of involvement with the Larch Hills Nordic Society, a few key factors have made her an incredibly valued member of the local ski community.

- Love of Skiing – It is abundantly clear to all those around her that this is why she is out there. There is no greater motivation than simply enjoying the activity.
- Sport for All – Whether it is Bunnyrabbits or Junior Race Team, she has continued a philosophy that the club is for all those who would like to participate. No matter how rich or poor, how naturally gifted or otherwise, there is a spot in the LHNS for all those who would like to join.
- Wholesomeness – There are many occasions where coaches make challenging decisions. Abbi's philosophy has very much been about "doing the right thing". A recent example is her push to reduce the usage of high-fluoro waxes within our domestic races, which has been received quite positively throughout BC.

In addition to the above Abbi is busy year-round with coaching and volunteering for activities/sports that provide cross-training benefits to club members. Five years ago in April, when most coaches get a bit of a break, Abbi and another mother from the Larch Hills racing team started a trail running series called Wild Soles. This was four Monday night races held on different running trails around Salmon Arm. These family-oriented events have been very popular with more than 150 participants attending on some nights, many of whom are members of ski team families. Abbi also helped get orienteering started in Salmon Arm by organizing events. Again, the participants in these events are mostly ski team families.

Testimonials

Phil Wallenstein, former LHNS Head Coach

“Abbi is a great role model for the girls on the ski team. She sets a great example with her enthusiasm for sports and the outdoors, her leadership skills, her fitness, and the hours and hours of volunteer time she puts into the club and ski team.

Abbi has organized waxing nights for mothers of the ski racers so that they know how to wax their kids skis if necessary. This has led to mothers being part of our waxing team at races and sets a good example for the girls on our team.”

Chris Manhard, CCBC Provincial Coach

Last season Abbi became the first female coach from BC to ever go on a B-Tour to Europe. Even though this was her first time doing a trip at this level, she handled it like a pro. She dug in and worked hard on all aspects of her assignment, from wax technician to coach. Abbi is a big asset to the coaching community in her club and province.

Duncan Moore (LHNS Club Chair) and Randi Ostby (LHNS Club Coach)

Abbi is a dedicated member of the Larch Hills Nordic Society and exemplifies the club culture of volunteerism and community involvement. She is passionate about cross country skiing, and has contributed to growth of this sport in our community in so many ways. She is a parent, a coach, and a board member who gives freely of her time, her skills, and her knowledge. She is the Head Coach of the Larch Hills Junior Race Team, one of the largest Junior race programs in Canada. In contrast to most other Canadian programs of this size (over 100 skiers) this is an unpaid position. Although supported by a strong group of volunteer coaches, Abbi takes on a lot of administrative and organizational duties that can be tedious and time consuming. She works tirelessly to make sure that what needs to be done gets done and is very modest about her accomplishments.

CCC Officials Certification Program

This program consists of five steps from entry level through to international level. It includes technical delegate, event management and course conductor training as well as standard training for officials.

Level 1

An eight hour course that provides an overview of what a cross country ski competition is all about. The focus is on the duties of minor officials for both 'Olympic' style (interval start, mass start, pursuit start, individual sprint, team sprint and relay) and 'Loppet' style (mass participation) competitions.

Course fee for CCBC members: \$85.00

Course fee for non-members: \$160.00

Level 2

A 16 hour course that prepares officials for leadership roles on a competition committee at club, provincial and most national level races, including the BC Cup Series, BC Winter Games and loppets. The course covers all official race formats, rules and regulations, rule interpretation, electronic timing, all aspects of the results system and volunteer management.

Course fee for CCBC members: \$100.00

Course fee for non-members: \$200.00

Level 3

This is a 3.5 day course. It is designed to prepare an official to (1) effectively structure, staff and manage a competition committee at provincial through national level competitions, (2) perform any 'major' official role at the National Championship level, (3) perform the role of a provincial Technical Delegate at a provincial and national level races and (4) have a good understanding of CCC/FIS rules.

Please note the requirements for participation in Officials Certification Courses - levels 1 & 2. Course pre-requisites will be strictly enforced. For more information about course pre-requisites visit the CCBC website at: <http://www.crosscountrybc.ca/officials-development>

ZONE4 CLINICS

ZONE4 is Cross Country BC's official race management software. All nationally and provincially sanctioned competitions held in BC - BC Cup Series, BC Sprint Championships, Nor Ams / Continental Cups and National Championships - produce standardized results through the use of this program.

Independent Auditor's Report

To the Directors of
Cross Country BC

We have audited the accompanying financial statements of Cross Country BC (the "Association"), which comprise the statement of financial position as at March 31, 2018, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Cross Country BC as at March 31, 2018 and its results of operations, its changes in net assets, and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting principles in Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Other Matter

The financial statements of Cross Country BC for the year ended March 31, 2017, were audited by another auditor who expressed an unmodified opinion on those statements on June 22, 2017.

The signature "Deloitte LLP" is written in a cursive, handwritten style.

Cash, end of year	64,529	62,683

The accompanying notes are an integral part of the financial statements.

1. Status and purpose of the organization

Cross Country BC (the "Association") is a not-for-profit organization incorporated under the Societies Act of British Columbia and accordingly is exempt from income tax under provisions of the Income Tax Act provided certain requirements of the Income Tax Act are met. It is not a registered charity that can issue tax receipts. Its purpose is to provide provincial programming for the continuous development of cross-country skiing programs, recreational through to competitive, to a broad cross section of the community.

2. Significant accounting policies

The financial statements are prepared in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CPA Canada Handbook. The Association's significant accounting policies are as follows:

(a) Fund accounting

The Association reports its activities on a fund accounting basis. A fund is determined for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. Each fund has its own statement of net assets, which presents the results of operations for the fund. The statement of financial position of the Association includes the assets, liabilities and net assets of all funds presented in the financial statements.

(b) Revenue recognition

The Association follows the deferral method of accounting for contributions, which include donations and government grants.

Unrestricted contributions are recorded as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Government grants approved but not received at the end of an accounting period are accrued. Restricted contributions are recognized in revenue in the period in which the expenses relating to the project are incurred.

Grants or other types of assistance received for the acquisition of capital assets are deferred and amortized to revenue on the same basis as the related capital assets are amortized.

Revenue from memberships and programs are recognized when the services are provided or the goods are sold. Marketing, fundraising, and other revenue are recognized when the cash is received and the services of goods are provided.

(c) Cash and cash equivalents

Cash and cash equivalents consist of cash and investments in money market or other short-term instruments or investments with a maturity of less than 90 days. Instruments, which have a maturity greater than 90 days, are presented as short term or long-term investments accordingly.

Cash that is restricted for a specific purpose has been segregated from cash and/or cash equivalents.

2. Significant accounting policies (continued)

(d) Capital assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Assets acquired under capital leases are amortized over the estimated life of the assets or over the lease term, as appropriate. Repairs and maintenance costs are charged to expense. Betterments, which extend the estimated life of an asset, are capitalized. When a capital asset no longer contributes to the Association's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized on a declining balance basis using the following annual rates:

Asset	Rate
Vehicles	25%
Timing equipment	25%

(e) Use of estimates

The preparation of the financial statements in accordance with Not-for-Profit Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the statement of operations in the year in which they become known.

(f) Financial instruments

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Contributed services

A substantial number of volunteers contribute a significant amount of their time each year to the Association. Due to the difficult nature in determining a fair value for these services, they are not recognized in the financial statements.

3. Gaming activities

Revenue earned from the Community Gaming grant is used to purchase goods and services required to provide the various programs offered by the Association during the year.

Funds held in the Association's gaming account are restricted for these future programs, and have therefore been classified as restricted cash. The balance in this account at March 31, 2018 is \$541 (\$227 in 2017).

4. Short-term investments

	2018	2017
	\$	\$
Guaranteed Investment Certificates	182,845	181,207

All investments are Guaranteed Investment Certificates held with the Royal Bank of Canada and earn interest at 1.15% maturing January 2019.

5. Capital assets

	2018			2017
	Cost	Accumulated amortization	Net book value	Net book value
	\$	\$	\$	\$
Vehicles	53,462	49,464	3,998	5,431
Timing equipment	15,971	665	15,306	—
	69,433	50,129	19,304	5,431

6. Accounts payable and accrued liabilities

Included in accounts payable and accrued liabilities are government remittances payable of \$306 (\$344 in 2017), which includes amounts payable for worker's safety insurance premiums.

7. Commitments and contingencies

The Association leases premises under two lease agreements with varying lease terms. Minimum lease payments are as follows:

	\$
2019	18,232
2020	18,908
2021	18,908
2022	18,908
2023 and thereafter	22,611

From time to time, the Association is brought forth as defendant in various lawsuits. The Association reviews its exposure to any potential litigation for which it would not be covered by insurance and assesses whether a successful claim against the Association would materially affect the financial statements of the Association. The Association is not aware of any claims brought against it that if not defended successfully would result in a material change to these financial statements.

8. Directors' and employees remuneration

No directors of the Association were remunerated for the fiscal year ending 2018.

For the fiscal year ending 2018, the Association did not pay any remuneration to employees and contractors for services in excess of \$75,000.

9. Financial risks and concentration of risk

(a) Credit risk

The maximum credit risk exposure for all of the Association's current financial assets is the carrying value of those assets.

(b) Liquidity risk

Liquidity risk is the risk that the Association will be unable to fulfil its obligations on a timely basis or at a reasonable cost. The Association manages its liquidity risk by monitoring its operating requirements. The Association prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no significant change to the risk exposures from 2017.

10. Economic dependence

A significant portion of the Association's revenue is derived from direct and indirect funding from the Province of British Columbia and the Federal Government. In 2018, these revenues represented 37% (36% in 2017) of total revenue.
