Cross Country Skiing

Haywood/NorAm Western Canadian Championships

“The quality of facilities and trails now available at Otway as a result of volunteer efforts and investment by public and private supporters over the past 3 years is second to none in Canada and would make many World Cup sites envious.” The Nordic athletes at the 2015 Canada Winter Games are sure to have a tremendous experience next season.”

Dave Dyer – Cross Country Canada

Haywood NorAm/Western Canadian Cross Country Championships

Curling

Camille Douglas -

Judo Provincial Championships

"As a test event for volunteers, they did awesome, we very happy with the volunteers and we just have to change the facility a little bit, it's minor things."
Andrzej Sadej, Judo Canada

Ringette

Provincial Ringette Championships

"The feedback we received was how friendly Prince George is and how welcoming we all were. They were surprised how everything was so close together, from the hotel to the rink. We got a ton of great feedback. Other than some minor tweaking at the Coliseum, the venue is ready to go for 2015. "
Janine Gervais – President PG Ringette

Short Track Speed Skating Canadian National Championships

“This championship was flawless. The organizing committee made this event special for all skaters, officials, parents, spectators and city residents. The planning was done well ahead, I look forward to the 2015 Canada Winter Games.”

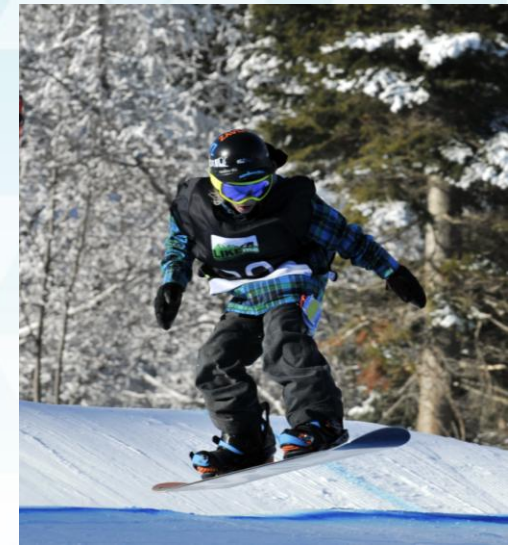

Sandra Chenard Speed Skating Canada

Snowboard BC Provincial Snowboard Series

“The next World Cup snowboarder won’t necessarily need to come from a huge mega-resort like Whistler Blackcomb or historic Red Mountain. Thanks to the awarding of the 2015 Canada Winter Games to Prince George, BC, he or she might come from the 800 vertical feet found at Tabor Mountain. Montreal Gazette
